

REMARKS/ARGUMENTS

I. Status of the Claims

Upon entry of this preliminary amendment, claims 1-30 and 35-78 are canceled without prejudice or disclaimer, thus leaving claims 31-34.

II. Amendments to Specification

The section of the application entitled "Cross-Reference to Related Applications" has simply been amended to indicate that the current application is a continuation application. Other changes to the specification are simply to introduce sequence identifiers. None of these amendments add new matter.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 303-571-4000.

Respectfully submitted,

Scott L. Ausenhus
